## Guest Lecture on CAMPUS TO CORPORATE

Title : Guest Lecture on Campus to Corporate  
Organizer : RVS Padhmavathy College of Engineering and Technology  
Venue : RVS Campus - Auditorium  
Date : 23.02.2019 (Saturday)

As part of the academic-corporate interface events, RVS Padhmavathy College of Engineering and Technology organized a Guest Lecture on the topic “Campus to Corporate” on 23.02.2019 (Saturday) at its Campus. Mr. Yeshwanth Muralidharan Ellu, Software Project Manager, WABCO India Private Ltd has delivered a guest lecture on “Campus to Corporate”. He started his session by encouraging students to ask questions in order to overcome their fear of asking doubts/questions. In his lecture, he explained to the students what type of skills an employer expects from their employees. He concluded his session by saying that making a successful transition from campus to corporate is the most exciting and phenomenal step in one’s life and that should be handled with outmost care. This lecture was really helpful to the students to stay motivated and remain a star performer in their near future corporate life.
