## Guest Lecture on CHALLENGES TO CHANGE

Title : Guest Lecture on Challenges to Change  
Organizer : RVS Padhmavathy College of Engineering and Technology  
Venue : RVS Campus - Auditorium  
Date : 07.03.2019 (Thursday)

As part of the academic-corporate interface events, RVS Padhmavathy College of Engineering and Technology organized a Guest Lecture on the topic “Challenges to Change” on 07.03.2019 (Thursday) at its Campus. RVS Padhmavathy College of Engineering and Technology always motivates its students to experience many advanced lectures and workshops to imbibe the knowledge in a comprehensive manner, which helps them to be aware of industrial needs today.

After formally inaugurating the event, the Chief Guest Mr. G. Sreenivasan, Deputy Manager (Production), BMW India Pvt Ltd has delivered a guest lecture on “Challenges to Change”. He illustrated various scenarios in which challenges faced by Engineering Graduates. He further narrated about the challenges he faced in his path ways from a Fitter to Manager Level in an attractive and motivating manner. The Chief Guest appreciated the efforts of RVS Padhmavathy College of Engineering and Technology for organizing this kind of advanced Techno-social Awareness Guest lecture.
