Guest Lecture on QUALITY CYCLE

Title : Guest Lecture on Quality Cycle
Organizer : RVS Padhmavathy College of Engineering and Technology
Venue : RVS Campus - Auditorium
Date : 02.02.2019 (Saturday)

As part of the academic-corporate interface events, RVS Padhmavathy College of Engineering and Technology organized a Guest Lecture on “Quality Cycle” on 02.02.2019 (Saturday) at its Campus. The key note speakers Mr. A. Manikandan, Corporate Quality Manager and Ms. Aishwarya Karwirkar, Sr. Engineer, Corporate Quality Systems, shared their views on quality philosophies and changing paradigms. Practical aspects of Identifying Goals, Putting a Plan into Action, Total Quality Management (TQM), PDCA Cycle and EQAVET Quality Cycle were discussed in depth with real time examples. The lecture was really helpful for the students in effective planning, time management and implementation idea, setting goals and achieving.
