Guest Lecture on IGNITION ON, SWITCH GEAR AND ACCELERATE

Title : Guest Lecture on Ignition on, Switch Gear and Accelerate
Organizer : RVS Padhmavathy College of Engineering and Technology
Venue : RVS Campus - Auditorium
Date : 16.02.2019 (Saturday)

As part of the academic-corporate interface events, RVS Padhmavathy College of Engineering and Technology organized a Guest Lecture on “Ignition on, Switch Gear and Accelerate” on 16.02.2019 (Saturday) at its Campus. The key note speaker Mr. Prabakaran, Supply Chain Manager, Expleo Group, shared his views on **quality philosophies and changing paradigms. Practical aspects of Identifying Goals, Putting a Plan into Action, Total Quality Management (TQM), PDCA Cycle and EQAVET Quality Cycle** were discussed in depth with real time examples. The lecture was really helpful for the students in effective planning, time management and implementation idea, setting goals and achieving.
